

**Amphibia: Lissamphibia**

**Corrigenda**

Page 294: Figure 53 is inconsistent with the species cited at the foot of figure, *Alytes (Alytes) muletensis*. The drawing showed corresponds to the larvae of *Alytes (Ammoryctis) cisternassi* (see fig. 58, p. 319).

The drawing of *Alytes (Alytes) muletensis* larva is:
